Sergeant (Retd.)

ABOUT THE AUTHOR

I am **Sergeant (Retd.), Sachil Kumar, Accounts**, who had the privilege of serving in the **Indian Air Force for 20 years**.

During my service, I had the opportunity to work at various levels in the **Accounts Department, including at the Apex level**, gaining valuable experience in accounts, financial management, administration and related matters. I had a truly memorable and enriching journey in the Indian Air Force, and I remain proud to have served the Nation as an Air Warrior.

This **Air Veteran Guide** is my humble effort to share my experience and knowledge for the benefit of Air Veterans and their families. My aim is to help those in need understand and avail themselves of the **maximum benefits and entitlements available to them**, so that no genuine benefit is missed due to lack of information or awareness.

I extend my **warm wishes and very best regards to all Air Veterans and their families**. I hope this guide proves useful and helps you and your family whenever you need it.

Jai Hind!
